2019 CHADRON STATE FOOTBALL TEAM CAMP

The Chadron State football staff is very excited to offer its 22nd annual full-contact team football camp. These camps have proved to be very successful with nearly every participating high school expressing a great interest in returning. Due to strong interest from participating high schools and teams that wish to come, we are limiting each session to 14-16 teams. In order to give the quality individual attention that Chadron State football camp is known for, it is imperative that we keep our numbers compatible to our facilities and staff. We take extreme pride in our individual attention to each and every camper.

Not only will the campers enhance their individual skills, they will also be able to apply their techniques in a team atmosphere. High school staffs are allowed to work with their teams three times a day to incorporate their own schemes. Each team will play two games in the evening and two JV games against opposing camp teams. If for any reason a school cannot bring an entire team or an individual would like to attend by himself, please inform our staff and we will fit them in. Please don't delay in your response.
